## REMEDY DISPLAYS ARTWORK GUIDELINES

Art files should be provided in vector based format (Adobe Illustrator preferred). Outline fonts or include font files with artwork, along with any linked images (300 dpi). Please specify colors using the Pantone color system or provide samples for color matching. Use the lines indicated for bleed and text safety print areas.

-  dieline
-  bleed line
-  print & copy area (0.125" from dieline)
